

# FOUNDATIONS OF LEADERSHIP

FEATURING **Jeff Yuen** UC Irvine Distinguished Alumnus

## Beyond the Academy: Careers in Government and Industry

Job opportunities in the federal regulatory arena are abundant, challenging and well-compensated. Jeff's journey to success forced him to navigate government and industry territories. At each phase of his education and career he has maximized his potential by engaging in extensive and continuous training and experiential learning. This interactive workshop will allow you to explore multiple career paths, both nationally and internationally.

**Jeff Yuen**, a UC Irvine Distinguished Alumnus with a BS in Biological Science, is Executive Vice President Global Quality with Cambridge Major Laboratories/AAIPharma Services Corporation. After graduating from UC Irvine, he studied Public Health at UCLA, then pursued an MBA. He served as a Commander in the US Public Health Service while with the Federal Drug Administration. He is also the President of Jeff Yuen and Associates, a private consulting firm for the pharmaceutical industry. At AAIPharma, he is responsible for seven sites in the US and the Netherlands.

The **Foundations of Leadership** distinguished speaker series connects graduate students and postdoctoral scholars with a range of leaders from corporations, nonprofits, government, and higher education. These leaders demonstrate the importance of expanded skill development and career planning to compete in the changing job market. Through these opportunities, graduate students and postdoctoral scholars will learn how these leaders have addressed leadership challenges, identify skills that enhance career success, and explore leadership in multiple capacities.
