

2023-24 Funding Timeline

Name	Description	Call Announced (Open Date)	Graduate Division Deadline	Citizenship Requirement	Award Structure
Fulbright Fellowship	The Fulbright Program was established in 1946 by the U.S. Congress to "enable the government of the United States to increase mutual understanding between the people of the United States and the people of other countries." It is the largest U.S. international exchange program offering opportunities for students, scholars, and professionals to undertake international graduate study, advanced research, university teaching, and teaching in elementary and secondary schools worldwide. The Fulbright Program receives its primary source of funding through an annual appropriation from Congress to the Department of State. Participating governments and host institutions in foreign countries, and in the United States, also contribute financially through cost-sharing and indirect support. Apply directly through Fulbright; however, endorsements are made by Graduate Division. Status: <i>The 2023-24 competition is closed and no longer accepting applications.</i>	4/1/2023	8/28/2023		see website
ARCS Scholar Awards	ARCS (Achievement Rewards for College Scientists) Foundation, Inc. is a unique, nonprofit, national volunteer organization of women dedicated to providing scholarships to academically outstanding U.S. citizens studying to complete their degrees in science, medicine and engineering, thereby contributing to the worldwide advancement of science and technology. Nominations are collected from Schools. Status: <i>The 2023-24 competition is closed and no longer accepting nominations.</i>	4/26/2023	6/30/2023	U.S. Citizen	<u>2023-24</u> \$5,000 in Fall quarter for 2 years
Rose Hills Fellowship	The Rose Hills Foundation Fellowship is intended to recognize and reward our most meritorious graduate students who are pursuing a graduate degree in the life or natural sciences or engineering. This fellowship is awarded to underrepresented students in STEM with demonstrated academic excellence and accomplishments, financial need, and leadership qualities consistent with the mission of the Rose Hills Foundation, which is to represent, develop, and support our future leaders. Nominations are collected from Schools. Status: <i>The 2023-24 competition is closed and no longer accepting nominations.</i>	7/15/2023	8/25/2023	U.S. Citizen	<u>2023-24</u> \$10,000 stipend for the AY
UC President's Lindau Nobel Laureate Meetings Fellows	OVPTL and Grad Division are coordinating the UCI campus applications for the annual class of the UC President's Lindau Nobel Laureate Meetings Fellows. These fellows can be undergraduate, graduate students or postdoctoral fellows and will be supported to attend the Lindau Meetings which vary in topic each year. Apply directly to the Graduate Division. Status: <i>The 2023-24 competition is closed and no longer accepting applications.</i>	8/31/2023	9/22/2023		<u>2023-24:</u> 5 campus nominees
NCI Predoc to Postdoc F99 K00 Transition Award	The purpose of the NCI Predoctoral to Postdoctoral Fellow Transition Award (F99/K00) is to encourage and retain outstanding graduate students recognized by their institutions for their high potential and strong interest in pursuing careers as independent cancer researchers. The award will facilitate the transition of talented graduate students into successful cancer research postdoctoral appointments and provide opportunities for career development activities relevant to their long-term career goals of becoming independent cancer researchers. Apply directly to the Graduate Division. Status: <i>The 2023-24 competition is closed and no longer accepting applications.</i>	9/5/2023	10/13/2023		Up to 6 years of total support (stipend, tuition & fees, institutional allowance)
Fletcher Jones Fellowship	The Fletcher Jones Fellowship is a highly prestigious award, made available through funding from the Fletcher Jones Foundation. It is competitively awarded to an outstanding doctoral student who has advanced to candidacy and demonstrates financial need. Nominations are collected from Schools. Status: <i>The 2023-24 competition is closed and no longer accepting nominations.</i>	9/5/2023	10/20/2023	U.S. Citizen, permanent resident or AB540 status	<u>2023-24</u> \$9,000 stipend for Winter or Spring 2024
Public Impact Fellowships	These fellowships highlight and support doctoral or MFA students whose current research has the potential for substantial impact in the public sphere. Ideal candidates will be involved in research designed to significantly improve or enrich the lives of Californians and/or national and global communities. Nominations are collected from Schools. Status: <i>The 2023-24 competition is closed and no longer accepting nominations.</i>	9/5/2023	10/20/2023		<u>2023-24:</u> \$11,000 and \$1,000 stipends
Chancellor's Club Fellowship	The Chancellor's Club is a community of UC Irvine alumni, parents, faculty and friends who care deeply about this university and who have made a commitment to invest in its greatest needs. Established in 1972 by founding Chancellor, Daniel G. Aldrich, Jr., the purpose of Chancellor's Club gifts are to support undergraduate scholarships, graduate fellowships, and other areas of critical need as determined by the Chancellor. Nominations are collected from Schools. Status: <i>The 2023-24 competition is closed and no longer accepting nominations.</i>	9/5/2023	10/20/2023		<u>2023-24</u> \$18,000 stipend over Winter & Spring
Graduate Scholar Success Fund	The Graduate Division is pleased to announce the inaugural competition for the Graduate Scholar Success Fund for the 2023-2024 academic year. This scholarship is meant to provide support to graduate students who are first-generation and demonstrate a clear financial need. This award consists of a \$1,500 stipend which may be received during Winter 2024 or Spring 2024. Nominations are collected from Schools. Status: <i>The 2023-24 competition is closed and no longer accepting nominations.</i>	9/5/2023	10/20/2023		<u>2023-24</u> \$1,500 stipend for Spring 2024
DAAD Study Scholarships & Long-Term Research Grants	DAAD (German Academic Exchange Service) is a registered members association made up of German institutions of higher education and student bodies. DAAD provides young people with the opportunity to gain international academic and research experience in Germany. Since it was founded in 1925, DAAD has provided funding to more than 1.9 million scholars in Germany and abroad. Several opportunities may be applied to directly through DAAD. However, candidates may also submit their application to the Graduate Division to be considered for priority status. Status: <i>The 2023-24 competition is closed and no longer accepting nominations.</i>	9/5/2023	10/20/2023		<u>2023-24:</u> Awards Vary, see DAAD website. 1 campus priority applicant.

UC President's Postdoctoral Fellowship Program	<p>The University of California President's Postdoctoral Fellowship Program was established in 1984 to encourage outstanding women and minority Ph.D. recipients to pursue academic careers at the University of California. The current program offers postdoctoral research fellowships and faculty mentoring to outstanding scholars in all fields whose research, teaching, and service will contribute to the diversity and equal opportunity at the University of California. The contributions to diversity may include public service towards increasing equitable access in fields where women and minorities are underrepresented. In some fields, the contributions may include research focusing on underserved populations or understanding inequalities related to race, gender, disability or LGBT. The program is seeking applicants with the potential to bring to their academic and research careers the critical perspective that comes from their non-traditional educational background or understanding of the experiences of members of groups historically underrepresented in higher education in the United States. Apply directly to UCOP.</p> <p>Status: The 2023-24 competition is closed and no longer accepting applications.</p>	9/5/2023	11/1/2023	Applicants must present documents demonstrating that they are legally authorized to work in the United States. Individuals granted deferred action status under the Deferred Action for Childhood Arrivals program are encouraged to apply.	<p><u>2024-25:</u> \$64,480 + benefits and \$5,000 research/travel stipend</p>
HHMI Gilliam Fellowships for Advanced Study	<p>The goals of the Gilliam program are to ensure that students from groups historically excluded from and underrepresented in science are prepared to assume leadership roles in science and science education, and to foster the development of a healthier, more inclusive academic scientific ecosystem by partnering with faculty and institutions committed to advancing diversity and inclusion in the sciences. Eligible candidates and their advisors apply directly. The Graduate Division will no longer be submitting nominations on behalf UC Irvine.</p> <p>Status: The 2023-24 competition is closed and no longer accepting applications.</p>	Application opens October 19, 2023	12/7/2023	U.S. Citizen; U.S. permanent resident; undocumented childhood arrival or DACA	<p><u>2023-24:</u> \$53,000 per year for up to 3 years</p>
Brython Davis Fellowship	<p>The Brython Davis Fellowship provides financial support to graduate students who demonstrate outstanding past academic achievement as well as future promise, have financial need, are U.S. citizens, and are the child of a service member or veteran of the U.S. Navy or Marine Corps. Tom Angell Fellowship	This fellowship is intended to honor Tom Angell's contributions as our Graduate Counselor to graduate student wellness and retention. The award is open to graduate students, faculty, and postdoctoral scholars. Apply directly to the Graduate Division. Status: The 2023-24 competition is currently in application review.	2/2/2024	3/1/2024		2023-24 \$500 stipend for Spring
Fulbright-Hays Doctoral Dissertation Research Abroad Program	The Fulbright-Hays Doctoral Dissertation Research Abroad Program is a separate and distinct program from the Fulbright U.S. Student Grant Program. This program is administered by the U.S. Department of Education, and it provides grants to colleges and universities to fund individual doctoral students who conduct research in other countries, in modern foreign languages and area studies for periods of six to 12 months. Students must apply through their institutions. Status: The 2023-24 competition has not yet been announced	2/12/2024	3/15/2024	U.S. Citizen or permanent resident	see website
Faculty Mentor Program (FMP)	The Faculty Mentor Program (FMP) Fellowship is designed to increase the number of students who complete their Ph.D. degree and successfully acquire a faculty appointment. Fellows are expected to participate in meaningful research and, eventually, developing an independent project. Nominations are collected from Schools. Status: The 2023-24 competition is currently open and accepting school nominations.	2/23/2024	4/4/2024	U.S. Citizen, permanent resident or AB540 status	2022-23: \$29,400 stipend + full resident tuition and fees + \$500 travel stipend 2023-24 TBA
Graduate Dean Dissertation Fellowship (GDFF)	The UCI Graduate Division is pleased to announce a fellowship for students nearing completion of their dissertations/thesis. The Graduate Dean's Dissertation Fellowship, GDFF, aims to increase dissertation and thesis completion amongst doctoral and MFA students. This award is intended for students in their final year of graduate study who have a realistic expectation of degree completion during the 2024-25 academic year. Nominations are collected from Schools. Status: The 2023-24 competition is currently open and accepting school nominations.	2/23/2024	4/4/2024		2022-23: \$5,000 stipend for summer 2023-24 TBA
President's Dissertation Year Fellowship (PDY)	The President's Dissertation Year Fellowship is intended for students in their final year of graduate study, who are planning to pursue teaching and research appointments soon after their dissertation fellowship year. This award assists graduate students with the completion of their dissertation and enhances their qualifications as candidates for university faculty teaching and research appointments by providing professional opportunities needed to successfully obtain a faculty appointment. Nominations are collected from Schools. Status: The 2023-24 competition is currently open and accepting school nominations.	2/23/2024	4/4/2024	U.S. Citizen, permanent resident or AB540 status	2022-23: \$29,400 stipend + full resident tuition and fees + \$500 travel stipend 2023-24 TBA
Google PhD Fellowship	Nurturing and maintaining strong relations with the academic community is a top priority at Google. The Google PhD Fellowship Program was created to recognize outstanding graduate students doing exceptional and innovative research in areas relevant to computer science and related fields. Fellowships support promising PhD candidates of all backgrounds who seek to influence the future of technology. Google's mission is to foster inclusive research communities and encourages people of diverse backgrounds to apply. We currently offer Fellowships in Africa, Australia, Canada, East Asia, Europe, India, Latin America, New Zealand, Southeast Asia and the United States. Apply directly to the Graduate Division. Status: The 2023-24 competition has not yet been announced	3/7/2024	4/5/2024		2022-23: up to 3 years of support; full tuition and fees plus a stipend + Google Research Mentor 2023-24 TBA
NISS Dissertation Fellowship	NISS Dissertation Grants are designed to support outstanding Ph.D. students who need resources to complete doctoral work that promises to significantly advance their fields of study. Any accredited U.S. university that awards doctoral degrees in the social sciences is eligible to nominate a graduate student for an NISS Dissertation Grant. Apply directly to Graduate Division. Status: The 2023-24 competition has not yet been announced	4/1/2024	4/26/2024		2022-23: \$2,500 - \$5,000 grants 2023-24 TBA
